

the July leaf from the mountain  
Leaves on 18 - 11000 ft from the  
Woods, the forest floor was full  
of flowers like Lilies, many of  
them were white & the others pink  
and yellow and the leaves were  
about one and a half feet long.  
Leaf, more or less full of flowers, the  
2000 ft. above the Woods, but the leaves  
were not so full of flowers as in the  
lower parts of the forest.  
The lower part of the mountain  
was covered with trees and the  
forest floor 7000 ft. & there were  
many flowers like violets and lilies of the valley.  
in the forest floor 7000 ft. 27000 ft. 1  
Kilometer from the town - 32000 ft. min  
~~time of year~~  
2500 - 3000 ft. from the town  
Bitterroot 3000 ft. Bitterroot 2900 ft.  
in the hills 2000 ft. 3000 ft. Bitter-  
root 12000 ft. from the forest.
